## God's Love Revealed

<sup>17</sup> By this love is perfected with us, so that we may have confidence in the day of judgment, because just as that one is, so also are we in this world. <sup>18</sup> There is no fear in love, but perfect love drives out fear, because fear includes punishment, and the one who is afraid has not been perfected in love. <sup>19</sup> We love, because he first loved us.

<sup>20</sup> If anyone says, "I love God," and hates his brother, he is a liar, for the one who does not love his brother whom he has seen is not able to love God whom he has not seen. <sup>21</sup> And this is

the commandment we have from him: that the one who loves God should love his brother also.

<sup>5</sup> Everyone who believes that Jesus is the Christ has been fathered by God, and everyone who loves the father also loves the child fathered by him. <sup>2</sup> By this we know that we love the children of God: whenever we love God and keep his commandments. <sup>3</sup> For this is the love of God: that we keep his commandments. And his commandments are not burdensome, <sup>4</sup> because everyone who is fathered by God conquers the world.
