## Instructions for the Church

Do not rebuke an older man but encourage him as you would a father, younger men as brothers, 2 older women as mothers, younger women as sisters, in all purity.

3 Honor widows who are truly widows. 4 But if a widow has children or grandchildren, let them first learn to show godliness to their own household and to make some return to their parents, for this is pleasing in the sight of God. 5 She who is truly a widow, left all alone, has set her hope on God and continues in supplications and prayers night and day, 6 but she who is self-indulgent is dead even while she lives. 7 Command these things as well, so that they may be without reproach. 8 But if anyone does not provide for his relatives, and especially for members of his household, he has denied the faith and is worse than an unbeliever.

9 Let a widow be enrolled if she is not less than sixty years of age, having been the

wife of one husband, 10 and having a reputation for good works: if she has brought up children, has shown hospitality, has washed the feet of the saints, has cared for the afflicted, and has devoted herself to every good work. 11 But refuse to enroll younger widows, for when their passions draw them away from Christ, they desire to marry 12 and so incur condemnation for having abandoned their former faith. 13 Besides that, they learn to be idlers, going about from house to house, and not only idlers, but also gossips and busybodies, saying what they should not. 14 So I would have younger widows marry, bear children, manage their households, and give the adversary no occasion for slander. 15 For some have already strayed after Satan. 16 If any believing woman has relatives who are widows, let her care for them. Let the church not be burdened, so that it may care for those who are truly widows.

She's going through major depression and having difficulty getting treatment there because of COVID. She now has hydrocephalus, had a stroke and has a benign tumor on her brain. Frank and Gensy's granddaughter, Hailey, had liver cancer which was diagnosed as cured. It is now back and is "really bad". Frank and Gensy are here with her. Pray for her salvation!

Pam's friend Natan, who is the 20 year old son of Demet from Eritrea, (who passed 3 years ago) was killed in a car accident Monday. His younger brother died trying to leave Eritrea the day after Natan died. Pray for his sister in Eritrea, who has lost a major part of her income from her brothers.

Sandy, in Santa Claus, IN, who is in Pam and Sue's bible study, was just diagnosed with possible pancreatic cancer. She survived breast cancer a few years ago. Had a biopsy 1/25 see Praise report now her oncologist doesn't believe that diagnosis from the doc who did her biopsy.

Pam's friend, missionary to Mexico, with cancer of the femur is receiving radiation treatments. She asks that we pray that God would heal her as a witness to God's mercy when they see the cancer is gone in the scan done before each treatment. She just had major surgery on her leg and is dealing with a great deal of pain. Starting physical therapy. She was discharged from the hospital, still in a good deal of pain and continuing physical therapy. They are now on the road visiting their funding churches.
