## Psalm 99

The LORD reigns; let the peoples tremble!  
He sits enthroned upon the cherubim; let the earth quake!

2 The LORD is great in Zion;  
he is exalted over all the peoples.

3 Let them praise your great and awesome name!

Holy is he!

4 The King in his might loves justice.

You have established equity;  
you have executed justice  
and righteousness in Jacob.

5 Exalt the LORD our God;  
worship at his footstool!

Holy is he!

6 Moses and Aaron were among his priests,  
Samuel also was among those who called upon his name.

They called to the LORD, and he answered them.

7 In the pillar of the cloud he spoke to them;  
they kept his testimonies  
and the statute that he gave them.

8 O LORD our God, you answered them;  
you were a forgiving God to them,  
but man avenger of their wrongdoings.

9 Exalt the LORD our God,  
and worship at his holy mountain;  
for the LORD our God is holy!

Psalm 99

## PRAYER REQUESTS (cont.)

Frank and Gensy's granddaughter, Hailey, had liver cancer which was diagnosed as cured. It is now back and is "really bad". See praises. Frank and Gensy are having a hard time finding out information about her as they're in Florida. Latest update is that she has had some really good days with an increase in appetite. She is gaining weight. Hailey, Logan and Presley are a family again. Logan isn't working because Hailey is afraid she can't manage while he's gone. They've applied for food stamps. \*Hailey is having digestive issues and has lost weight.

An Indian Christian Brother, Crimson, who is a missionary in Libya is in danger there. Pray for God's protection for him and all Christians there as they are under heavy persecution.

Pam's friend, Sandy, was diagnosed with pancreatic cancer that is attached to her liver and is also in her lungs. Her radiation is finished and her doctor gives her nine months to a year to live. She finished a lower dose chemo regimen and will find out the results of a CT scan Tuesday. She has decided against more chemo or radiation. Her cancer has not grown at all in the past 3 months!

Pam's friend and colleague Vicki, a missionary to Mexico, has cancer of the femur and is receiving radiation treatments. She asks that we pray that God would heal her as a witness to God's mercy when doctors see the cancer is gone in the scan done before each treatment. She just had major surgery on her leg and is dealing with a great deal of pain. Vicki is now back in Mexico, but still not able to walk much and is getting Physical Therapy. They are starting a school in Pachuca, so pray for God's blessing on getting that started.

Mary Osko was able to attend her son's wedding on 5/29/22. (Doctors weren't sure she would live that long.)
