## Justification by Faith

O foolish Galatians! Who has bewitched you that you should not obey the truth, before whose eyes Jesus Christ was clearly portrayed among you as crucified? 2 This only I want to learn from you: Did you receive the Spirit by the works of the law, or by the hearing of faith? 3 Are you so foolish? Having begun in the Spirit, are you now being made perfect by the flesh? 4 Have you suffered so many things in vain—if indeed it was in vain?

5 Therefore He who supplies the Spirit to you and works miracles among you, does He do it by the works of the law, or by the hearing of faith?— 6 just as Abraham “believed God, and it was accounted to him for righteousness.” 7 Therefore know that only those who are of faith are sons of Abraham. 8 And the Scripture, foreseeing that God would justify the Gentiles by faith, preached the gospel to Abraham beforehand, saying, “In you all the nations shall be blessed.” 9 So then those who are of faith are blessed with believing Abraham.

### The Law Brings a Curse

10 For as many as are of the works of the law are under the curse; for it is written, “Cursed is everyone who does not continue in all things which are written in the book of the law, to do them.” 11 But that no one is justified by the law in the sight of God is evident, for “the just shall live by faith.” 12 Yet the law is not of faith, but “the man who does them shall live by them.”

13 Christ has redeemed us from the curse of the law, having become a curse for us (for it is written, “Cursed is everyone who hangs on a tree”), 14 that the blessing of Abraham might come upon the Gentiles in Christ Jesus, that we might receive the promise of the Spirit through faith.

## PRAYER REQUESTS (cont.)

Frank and Gensy's granddaughter, Hailey, had liver cancer which was diagnosed as cured. It is now back and is "really bad". See praises. Frank and Gensy are having a hard time finding out information about her as they're in Florida. Latest update is that she has had some really good days with an increase in appetite. She is gaining weight. Hailey, Logan and Presley are a family again. Logan isn't working because Hailey is afraid she can't manage while he's gone. They've applied for food stamps. Haley is having digestive issues and has lost weight.

An Indian Christian Brother, Crimson, who is a missionary in Libya is in danger there. Pray for God's protection for him and all Christians there as they are under heavy persecution. \*Crimson is home on furlough and doing well. Will return to Libya in a few months. Pray that he has a blessed refreshing time with his family and friends.

Pam's friend, Sandy, was diagnosed with pancreatic cancer that is attached to her liver and is also in her lungs. Her radiation is finished and her doctor gives her nine months to a year to live. She finished a lower dose chemo regimen and will find out the results of a CT scan Tuesday. She has decided against more chemo or radiation. Her cancer has not grown at all in the past 3 months!

Pam's friend and colleague Vicki, a missionary to Mexico, has cancer of the femur and is receiving radiation treatments. She asks that we pray that God would heal her as a witness to God's mercy when doctors see the cancer is gone in the scan done before each treatment. She just had major surgery on her leg and is dealing with a great deal of pain. Vicki is now back in Mexico, but still not able to walk much and is getting Physical Therapy. They are starting a school in Pachuca, so pray for God's blessing on getting that started.
