## The Righteous Shall Live by Faith

10 For all who rely on works of the law are under a curse; for it is written, "Cursed be everyone who does not abide by all things written in the Book of the Law, and do them." 11 Now it is evident that no one is justified before God by the law, for "The righteous shall live by faith." 12 But the law is not of faith, rather "The one who does them shall live by them." 13 Christ redeemed us from the curse of the law by becoming a curse for us—for it is written, "Cursed is everyone who is hanged on a tree"— 14 so that in Christ Jesus the blessing of Abraham might come to the Gentiles, so that we might receive the promised Spirit through faith.

## The Law and the Promise

15 To give a human example, brothers: even with a man-made covenant, no one annuls it or adds to it once it has been ratified. 16 Now the promises were made to Abraham and to his offspring. It does not say, "And to offsprings," referring to many, but referring to one, "And to your offspring," who is Christ. 17 This is what I mean: the law, which came 430 years afterward, does not annul a covenant previously ratified by God, so as to make the promise void. 18 For if the inheritance comes by the law, it no longer comes by promise; but God gave it to Abraham by a promise. 19 Why then the law? It was added because of transgressions, until the offspring should come to whom the promise had been made, and it was put in place through angels by an intermediary. 20 Now an intermediary implies more than one, but God is one.

21 Is the law then contrary to the promises of God? Certainly not! For if a law had been given that could give life, then righteousness would indeed be by the law. 22 But the Scripture imprisoned everything under sin, so that the promise by faith in Jesus Christ might be given to those who believe.

23 Now before faith came, we were held captive under the law, imprisoned until the coming faith would be revealed. 24 So then, the law was our guardian until Christ came, in order that we might be justified by faith. 25 But now that faith has come, we are no longer under a guardian, 26 for in Christ Jesus you are all sons of God, through faith. 27 For as many of you as were baptized into Christ have put on Christ. 28 There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus. 29 And if you are Christ's, then you are Abraham's offspring, heirs according to promise.

Frank and Gensy's granddaughter, Hailey, had liver cancer which was diagnosed as cured. It is now back and is "really bad". See praises. Frank and Gensy are having a hard time finding out information about her as they're in Florida. Latest update is that she has had some really good days with an increase in appetite. She is gaining weight. Hailey, Logan and Presley are a family again. **Logan isn't working because Hailey is afraid she can't manage while he's gone. They've applied for food stamps. Haley is having digestive issues and has lost weight.**

An Indian Christian Brother, Crimson, who is a missionary in Libya is in danger there. Pray for God's protection for him and all Christians there as they are under heavy persecution. **Crimson is home on furlough and doing well. Will return to Libya in a few months. Pray that he has a blessed refreshing time with his family and friends.**

Pam's friend, Sandy, was diagnosed with pancreatic cancer that is attached to her liver and is also in her lungs. Her radiation is finished and her doctor gives her nine months to a year to live. She finished a lower dose chemo regimen and will find out the results of a CT scan Tuesday. She has decided against more chemo or radiation. **Her cancer has not grown at all in the past 3 months!**

Pam's friend and colleague Vicki, a missionary to Mexico, has cancer of the femur and is receiving radiation treatments. She asks that we pray that God would heal her as a witness to God's mercy when doctors see the cancer is gone in the scan done before each treatment. She just had major surgery on her leg and is dealing with a great deal of pain. Vicki is now back in Mexico, but still not able to walk much and is getting Physical Therapy. They are starting a school in Pachuca, so pray for God's blessing on getting that started.
